

Check out the music video debut of the late Michael Jackson's newest single, **Hollywood Tonight!** The video tells the story of a young woman leaving for Hollywood to make it big - charting her struggles and successes as she follows her dreams. The video was directed by Wayne Isham, who also helmed Michael's 1995 video shoot for **You Are Not Alone** at the Pantages Theatre on Hollywood and Vine. FYI: You can put yourself in one of Michael's videos over at MichaelJackson.com! Read more: <http://justjared.buzznet.com/2011/03/10/michael-jackson-hollywood-tonight-video-debut/#ixzz1GFxB20F5>
