The two decided to end their relationship recently and "there are no hard feelings," a source tells PEOPLE exclusively. "It was completely mutual and they both decided it was time to move on."
The source adds that Biel is keeping her house in L.A. and she and Timberlake, who started dating in 2007, will remain friends.
Timberlake, 30, and Biel, 29, were spotted together looking cozy as recently as the Vanity Fair post-Oscars party on Feb. 27.
Reps for the couple have not commented on the split.
